

A note about Lawrence Catholic Academy...

Dear Parishioners,

I write to encourage you to consider enrolling your children at Lawrence Catholic Academy (LCA) for the 2021-2022 academic year. Because of COVID, there has never been a more important time for you to consider this opportunity for your children.

During the pandemic, LCA has successfully offered in-person learning for children in nursery school through grade eight (as well as the option of remote learning). There is no question that in-person learning is entirely better for our children than remote learning.

As we face the long-term impact of COVID on the educational development of our children, I am confident that LCA's personalized attention to every student may be the best option for your children. The academic, spiritual, and human formation provided through Lawrence Catholic Academy is a unique blessing.

Most families at LCA receive financial aid. There is a straightforward application process, and the school's staff will be happy to assist you with it.

The best way to explore LCA is to speak with Ms. Glennys Suero, the school's Administrative Assistant, who is bilingual. You may call her at (978) 683-5822 ext. 11, or email her at [gsuero@lawrencecatholicacademy.org](mailto:gsuero@lawrencecatholicacademy.org).

A final note! If you would like to pursue the possibility of transferring your child to LCA at this time (during the current academic year), feel free to discuss that with Ms. Suero. If you have any questions or would like to find out more about LCA, feel free to contact the Principal, Ms. Mary Kelly. Her contact information appears below.

In Christ, Fr. Chris

A glimpse of LCA through their Facebook Page...

Miss Yohaira's class read "The Snowy Day" and made this awesome snowman!
